2. Myth and philosophy - Very Short Introductions "Myth and philosophy"™ examines the many positions held on the relationship between myth and philosophy. Some philosophers assert that, antithetically to moderns, primitives think "mythopoeically"™, which means concretely, uncritically, and emotionally. Philosophical and mythopoeic ways of thinking are more than different conceptions of the world. Myth, Religion, and Philosophy - Friesian School Myth, Religion, and Philosophy. Early in the 20th century, many scholars, intellectuals, and philosophers looked on the relationship of religion, philosophy, and science as an evolutionary one in which the more sophisticated ways of looking at the world simply replaced the older ways. Plato's Myths (Stanford Encyclopedia of Philosophy) What the ancient Greeks"at least in the archaic phase of their civilization"called muthos was quite different from what we and the media nowadays call "myth". For them a muthos was a true story, a story that unveils the true origin of the world and human beings. For us a myth is something to be "debunked": a widespread, popular belief that is in fact false.

Myth and Philosophy - SUNY Press Both myth and philosophy are topics of great significance, and have been discussed by many philosophers and historians of religions and some anthropologists. An interesting set of questions about the nature of religion, and nature of philosophy and their relationships (and also about the nature of myth and its relationship to philosophy) is.
